## INDIA'S VIBRANT TRADE ECOSYSTEM

India presents a wonderful opportunity to global importers  
as they face an even more challenging global environment today

### INNOVATIVE MERCHANDISE

#### WORLD CLASS TANNERS

##### MODERNIZED MANUFACTURING UNITS

Government of India is increasing the investment in this industry to build Integrated footwear Parks through various schemes. Indian companies are leading the way for International brands. Indian manufacturers are highly process oriented, quality conscious and customer centric companies.

**The timing has never been  
better to partner with India.**

#### COMPETITIVE COSTS

##### 12 PLUS FOREIGN TRADE AGREEMENTS

Trade agreements have made Indian industry more accessible. Duty free benefit has been provided for import of leather, leather products and footwear from India to UAE, Australia and South Korea under respective trade agreements with these countries. Under India-Japan CEPA India is enjoying duty free benefits for leather goods and duty concessions for certain categories of footwear. India-ASEAN FTA also provides duty concessions.
