PETROTECH-2019

10-12 February 2019

at

India Exposition Mart Ltd., Greater Noida,

NCR, New Delhi

The 13th edition of the biennial PETROTECH International Conference and Exhibition is India's flagship oil and gas sector event held every two years under the aegis of the Ministry of Petroleum & Natural Gas.

The theme of PETROTECH-2019 is '*Shaping the New Energy World through Innovation and Collaboration*'. PETROTECH conference focuses on the Indian hydrocarbon industry in the context of global trends and showcases the policy reforms that have taken place in the recent years in the Indian oil and gas sector apart from providing a major platform for presentations by experts as well as discussion and debate on the emerging challenges and opportunities in the oil and gas sector.

Prime Minister of India, Shri Narendra Modi will be inaugurating the PETROTECH-2019. More than 8000 delegates, including ministers, policy makers, regulators, scientists, engineers, technologists, environmentalists and entrepreneurs besides equal number of exhibitors and visitors are expected to attend.

PETROTECH Conference and Exhibition brings together industry leaders, professionals, academicians, technology licensors and domain experts from the energy sector on a common platform. The last edition of PETROTECH, held in December 2016 witnessed participation of Energy Ministers from 21 countries, over 100 eminent speakers and 7,600 delegates, including overseas delegates from over 56 countries.
